

# Restatement of pass-through revenue and backlog for HY22

03 November 2022

# Introduction

---

As outlined on 28 July 2022, Babcock International Group PLC's ("Babcock" or "the Group") full year results for the 2022 financial year (FY22) included a restatement of FY21 revenue and contract backlog. This was as a consequence of a re-examination of the presentation of pass-through revenue, as
